

Noah's Arc Rafting Company

Browns Canyon is the most popular white water rafting adventure on the Arkansas River, the #1 rafted river in Colorado and the country! Breathtaking scenery, towering granite walls, amazing rock formations, and wildlife viewing all contribute to the lure of Browns Canyon.

Check-in time is at 8:00 am. Once the trip leaves, you will be on the water 5-6 hours, including lunch. Lunch in Browns Canyon features homemade deli-style sandwiches, fruit, cookies, and fresh-baked breads. After lunch, it's back to the river rafting where an afternoon of rapids, including the infamous Seidel's Suckhole and the drenching waves of Twin Falls, awaits.
